Stacey,

The earliest we are projecting going to the Planning Commission for hearing on the project is March of 2015 and the Final PEIR will be available at least 10 days prior to hearing. Unfortunately that is all the detail I can provide at this time; however, staff will try to make the Final PEIR available as early as possible prior to the hearing.

Thank you,

Good Afternoon Robert,

Would you have any idea when the Final PEIR for this project might be released?

Many thanks for your time.
